

Atifa Zaman

Frontend Developer

Guwahati | 8135962614 | E-mail : atifazaman444@gmail.com

Professional Summary

I am a recent **Computer Science graduate** with a strong passion for **frontend development**. I enjoy turning ideas into visually appealing and interactive user interfaces using **HTML, CSS, and JavaScript**. Eager to learn and grow in a collaborative environment, I am committed to building responsive, user-friendly web applications that enhance user experience.

Skills

Technical: C, Javascript, JQuery, Html, CSS, Bootstrap, Github,

Soft Skills: Capacity to work under pressure, Strong attention to detail, Skills for problem solving.

Experience

Ediglobe – Web Development Intern

Feb 2024 – Mar 2024

During my internship at Ediglobe, I developed and maintained responsive websites using HTML, CSS, JavaScript, and Bootstrap. I collaborated on backend development using PHP and MySQL, contributing to server-side logic and database handling. I actively participated in code reviews and agile stand-up meetings, enhancing my understanding of collaborative workflows. My role also involved improving bug resolution, performance, and cross-browser compatibility. Additionally, I gained hands-on experience with version control using Git and exposure to real-world software development practices.

Project - Tindog Website Clone

Project Description – Its a fully responsive landing page for a fictional dog-dating app to display pricing, testimonials, and call-to-action sections with a clean and mobile-friendly design.

- Created a fully responsive landing page for a fictional dog-dating app.
- Built using HTML, CSS, and Bootstrap to display pricing, testimonials, and call-to-action sections.
- Ensured a clean, mobile-friendly design with smooth layout and responsiveness.
